High School Equivalency and ESL classes

The High School Equivalency program through Volunteer State Community College has expanded to include not only Sumner County, but also Robertson, Trousdale, Macon, Smith, and Clay Counties. English as a Second Language (ESL) classes are now offered in Sumner and Robertson Counties. Staff members are conducting "new student registrations" in all areas. We are excited to begin the new school year. Scan the QR code for more information on these classes.

Sumner County Graduation

On Thursday, June 29, 2023, Adult Education students celebrated the earning of their High School Equivalency diplomas. Ninety students earned their diploma this program year. Several English as a Second Language (ESL) students progressed through the ESL program and the High School Equivalency program simultaneously to earn their diplomas.

For more information about High School Equivalency or English as a Second Language classes call:
