

## Illness or Injury

**Life Threatening Illness or Injury - Dial 911.** Answer all questions and do not hang up until told to do so.

AEDs are available for use by appropriately trained personnel.

Notify Campus Police of any situation that may require CPR procedure or AED use.

AEDs are located in cabinets that are clearly labeled and identified as AED units.

### **Injury/Illness Reporting Requirements**

- **Students** who suffer an injury should immediately report the injury or illness to their instructor. The instructor and/or student should contact Campus Police for assistance.
- **Visitors/Guests of Vol State** who suffer from an injury on campus, should immediately report the injury to Campus Police.
