

# A Bachelor's in Agri-Business in Robertson County?

# Absolutely!

**Vol State and UT Martin Made It Possible!**

Vol State and UT Martin announced plans for a pathway toward a bachelor's degree in Robertson County! Courses will be on-site at Vol State's Springfield Campus. Some coursework will be experiential learning, offered at a farm.

This partnership allows students to earn a full bachelor's degree without leaving Robertson County.

You can get a head start now on this pathway through dual enrollment simultaneously with both Vol State and UT Martin.

More information is available at [www.volstate.edu/de](http://www.volstate.edu/de) or by scanning the QR code for this program.

# VOL STATE / UT MARTIN AGRI-BUSINESS DEGREE

## Ag-Business Career Paths...

Operations Manager, Production Scheduler,  
Sales Manager and Sales, Farm Manager,  
Financial Specialist and Farming Logistics.

To be eligible to start while still in high school, each student must:

- Be a high school junior or senior in traditional public-school system of the qualifying counties.
- Meet the minimum placement scores for dual enrollment at UT Martin and Vol State and other specified college requirements.

Tuition and fees are covered by a TSAC Dual Enrollment Grant and gap scholarships from UT Martin and Vol State for eligible students.

For more information on the program, courses, financial assistance, and eligibility, see your high school counselor and scan the QR code.

Guidance will be available for course selection and academic planning.
