

# Dual Enrollment Grant

## FOR THE UPPER CUMBERLAND!

Vol State is proud to offer funding for qualifying U.C. public high school students to complete up to 10 dual enrollment courses tuition-free!

### Eligible TN Counties Include:

Clay, Jackson, Overton, Pickett, Putnam, and Smith Counties.

More information is available at [www.volstate.edu/de](http://www.volstate.edu/de) or by scanning the QR code for this program.

# Vol State UC Dual Enrollment Grant

Specifically for Clay, Jackson, Overton, Pickett, Putnam, and Smith Counties.

## WHAT IS IT?

The TSAC Dual Enrollment Grant covers tuition and the dual access fee for the first five dual enrollment semester hour courses. For the sixth through tenth courses, it covers \$100 per credit hour. For these additional five classes, the Vol State UC Dual Enrollment Grant will cover the remainder of the tuition.

## ELIGIBILITY:

To be eligible for this grant, each student must:

- Be enrolled in the traditional public-school system of qualifying counties.
- Complete the free application/admission process to Vol State, for Dual Enrollment.
- Apply to, and be eligible for, the TSAC Dual Enrollment Grant.
- Maintain eligibility for the Dual Enrollment Grant. (minimum college GPA of 2.0 or higher)
- Only Vol State DE classes are eligible.
- **Only** applies toward tuition costs not covered by the TSAC DE Grant **in classes 6-10**, after all other types of aid and discounts have been awarded.
- Eligibility is automatically assessed, with **no application needed!** Students will be notified when funds are awarded.

Course 9	\$554.40	\$300.00	\$254.40	\$0
Course 10	\$554.40	\$300.00	\$254.40	\$0

## ADDITIONAL DETAILS:

\* Displayed costs based on Vol State's 2023-24 In-State Dual Enrollment tuition and fees schedule. The TSAC DEG and this gap scholarship do not cover books or other course-specific fees. Fees are subject to change.

\*\* Most Dual Enrollment courses are three credit hours. Amounts are adjusted for coursework with lower or higher credit hour designations. Tuition cost for the student remains at \$0 regardless of the number of credit hours for the course for students eligible for the TSAC DEG and the Vol State UC DEG.
