

Name of Program: Emergency Medical Services

Volunteer State Community College's Paramedic Program is accredited by the Commission on Accreditation of Health Sciences Education Programs (CAAHEP). Upon recommendation of the Committee on Accreditation of Educational Programs of the Emergency Medical Professions (CoAEMSP), the program's goal is "To prepare competent entry-level Paramedics in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains with or without exit points at the Advanced Emergency Medical Technician and/or Emergency Medical Technician levels. Education at Volunteer State's EMS Program at all levels, with successful completion results in eligibility to sit for the National Registry exam which is excepted for either initial licensure or reciprocity in all US states and territories.

State Licensing should indicate if the program curriculum **Meets** the in these states and US Territories, **Does NOT Meets** the in these states and US Territories or **Undetermined** if the program has not yet determined if the curriculum is met for these states and US Territories.

VSCC Contact for questions about licensure and certification:
