

## Associate of Applied Science Degree in Medical Laboratory Technology

The Medical Laboratory Technology Program at Volunteer State Community College is accredited by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS) located at 5600 N. River Rd., Suite 720, Rosemont, Illinois, 60018. NAACLS' phone number is (773) 714-8880 and its web address is [www.naacls.org](http://www.naacls.org). Upon successful completion of the Associate of Applied Science Degree in Medical Laboratory Technology, the graduate is eligible to sit for the national certification exam.

Licensure requirements for medical laboratory technologists vary according to state statutes. This document contains a list of respiratory therapy state(s) and territory(s) licensure contacts, including state board and committee locations and websites. Licensure requirements in the US Virgin Islands, California, Puerto Rico, and Northern Mariana Island are undetermined. Graduation from the program either meets the needs of or is not required in the remaining states and territories within the United States.

The State Licensing Requirements should indicate if the program curriculum **Meets** the requirements in these states and US Territories, **Does NOT meet** the requirements in these states and US Territories or **Undetermined** if the program has not yet determined if the curriculum requirements are met for these states and US Territories.

VSCC Contact for questions about licensure and certification:
