

Name of Program: Medical Coding Technical Certificate

Narrative: VSCC MCTC graduates are eligible to sit for the AHIMA (American Health Information Management Association) CCA (Certified Coding Associate) certification examination. Coding professionals who hold the CCA credential have demonstrated coding competency across all settings, including hospitals and physician practices. The CCA designation is a nationally recognized standard of achievement in the health information management (HIM) field.

The State Licensing Requirements should indicate if the program curriculum **Meets** the requirements in these states and US Territories, **Does NOT meet** the requirements in these states and US Territories or **Undetermined** if the program has not yet determined if the curriculum requirements are met for these states and US Territories.
