

Name of Program: Volunteer State Community College Ophthalmic Technician Program

The Ophthalmic Technician Program prepares students to become ophthalmic technicians at the technician level. The program is fully accredited by the International Council of Accreditation (ICA). Upon successful completion of the program, graduates are eligible to take the Certified Ophthalmic Technician (COT) exam. Certification is not required in any state. The International Joint Commission on Allied Health Personnel in Ophthalmology is responsible for certification. Certification is national and covers all states in the U.S.

The State Licensing Requirements should indicate if the program curriculum **Meets** the requirements in these states and US Territories, **Does NOT meet** the requirements in these states and US Territories or **Undetermined** if the program has not yet determined if the curriculum requirements are met for these states and US Territories.
